Solar, Man of the Atom #5 – “First Strike, Part 1 – Confrontation”

March 25 - Phil Seleski returns to work at the Edgewater Nuclear Facility in Muskogee, Oklahoma. There he notices a man, Rusk, with a unique skeletal structure.

March 26 - Phil tracks down Rusk to Orb Industries. There he finds more unique people. He discovers that they are aliens, and that they are planning an invasion of Earth. Phil battles the aliens as Solar and flies off into space to confront their fleet. During Solar's battle with one of the aliens Gayle discovers that Phil is Solar.

Solar, Man of the Atom #6 – “First Strike, Part 2 – Massacre”

March 27 - Solar goes aboard one of the Spider Alien ships and discovers a group of humans. He attempts to rescue them but the Spider Aliens send the humans into space. Solar destroys one ship and aims his anger at the rest of the alien fleet.

Solar, Man of the Atom #7 – “First Strike, Part 3 – Single Combat”

March 28 - Solar defeats an alien warrior clad in Manowar class X-O Armor. Leaving the armor on one of Saturn's moons, he goes on to destroy the alien fleet.

(Editor's note: I believe that the date of November in Valiant Voice #5 is inaccurate.)

X-O Manowar #0 – “Retribution, Prologue”

Aric Dacia, a Visigoth who was abducted by Spider Aliens in the year 408, is told where a very powerful weapon is on a Spider Alien vessel. This information is given to him by the Mapgiver. Aric escapes the Spider Alien ship with their weapon, an X-O Manowar class armor.

(Editor's note: In what I'm sure will be regarded as a controversial decision I have placed these events in March as opposed to November.)

X-O Manowar #1 – “Retribution, Part 1 – Into the Fire”

March 28 – Aric, the Visigoth finds an XO Manowar class armor on one of the Spider Aliens ships. He puts it on, destroys the ship, and falls to Earth.

(Editor's Note: In my opinion X-O Manowar takes place over a large period of time. Lots of walking, meeting people, learning, and more walking.)

The US government begins investigating a strange flying man in a suit of armor.

(X-O Manowar #18)(Editor's Note: This helps solidify that Aric came to Earth in March, not November.)

Solar begins chasing the Spider Alien fleet out into space. He becomes lost in the cosmos.

(Solar, Man of the Atom #8)

Aric ends up in a small Peruvian villiage. When members of the villiage take him to a larger town so he can find a 'wizard' the Spider Aliens attack the villiage. Aric returns to find the villiage destroyed. He vows revenge and begins walking north.
